## Notice of Assignment of OCID Water Allocation for 2024

By separate lease agreement*,	(" <b>Owner</b> ") of
OCID acres within the Orchard City Irrigation District has assigned to	
("Lessee") the right to use	OCID acres**
for the 2024 irrigation season, with an effective date of	

**Owner** and **Lessee** understand that ownership of OCID acres entitles Owner to a pro-rated portion of water stored in Fruitgrowers Reservoir as of the last reservoir spill date during the irrigation season. Owner's portion of stored water is subject to changes in water supply and adjustments to percentage allocation per OCID acre that may be made from time to time by the OCID Board of Directors. This assignment is further subject to all OCID rules and regulations pertaining to OCID water including a minimum daily water order of .25 c.f.s for two consecutive days.

(Lessee Signature)	Phone Number:	Date:

Deliver readable and fully completed form to <u>admin@ocidcolorado.com</u>, or U.S. Mail to P.O. Box 330, Eckert, CO. 81418. Allow at least 2 business days for processing by OCID.

\*Lease of OCID water between members of the Orchard City Irrigation District is a legal agreement between Owner and Lessee which OCID has not prepared, negotiated, reviewed, approved nor will it enforce. By executing this Assignment, Owner and Lessee release and discharge OCID from all obligations, responsibilities or liabilities of the lease agreement between the parties. OCID's only obligation upon receipt of this fully completed form is to enter transfer on its books and records the OCID acres subject to this Assignment by crediting appropriately the Lessee's water account and correspondingly debit the Owner's water account.

\*\*Please enter the specific number of acres of OCID that you own. Forms showing "All" OCID Acres will NOT be processed. If you have questions about your number of OCID acres or the allocation in place at the time of this assignment, please call 970-835-3168 or, preferably email your request to: admin@ocidcolorado.com
